

GENERAL INFORMATION

Since many years GVT is renowned for transport via road, railway and water. With the professional integration of these modalities, GVT Intermodal offers perfect door-to-door solutions. GVT Intermodal maintains direct railway connections between the own terminal in Tilburg, Railport Brabant, and several terminals in central and eastern Europe. In addition there is a unique direct railway connection with Chengdu in China.

**WITHIN 15 DAYS FROM CHENGDU
TO TILBURG BY RAIL**

DETAILS

CHENGDU / TILBURG / ROTTERDAM EXPRESS

The **Chengdu – Tilburg – Rotterdam Express** is the fastest and only direct railway connection between China and the Netherlands. This unique connection enables the transportation of containers from China to the Netherlands and vice versa within 15 days. This is many times faster than transport by sea freight (45 days) and just a few days extra than air freight (7 days), while the rates are only a quarter of the airfreight rates and less than double of the sea freight rates.

SERVICE

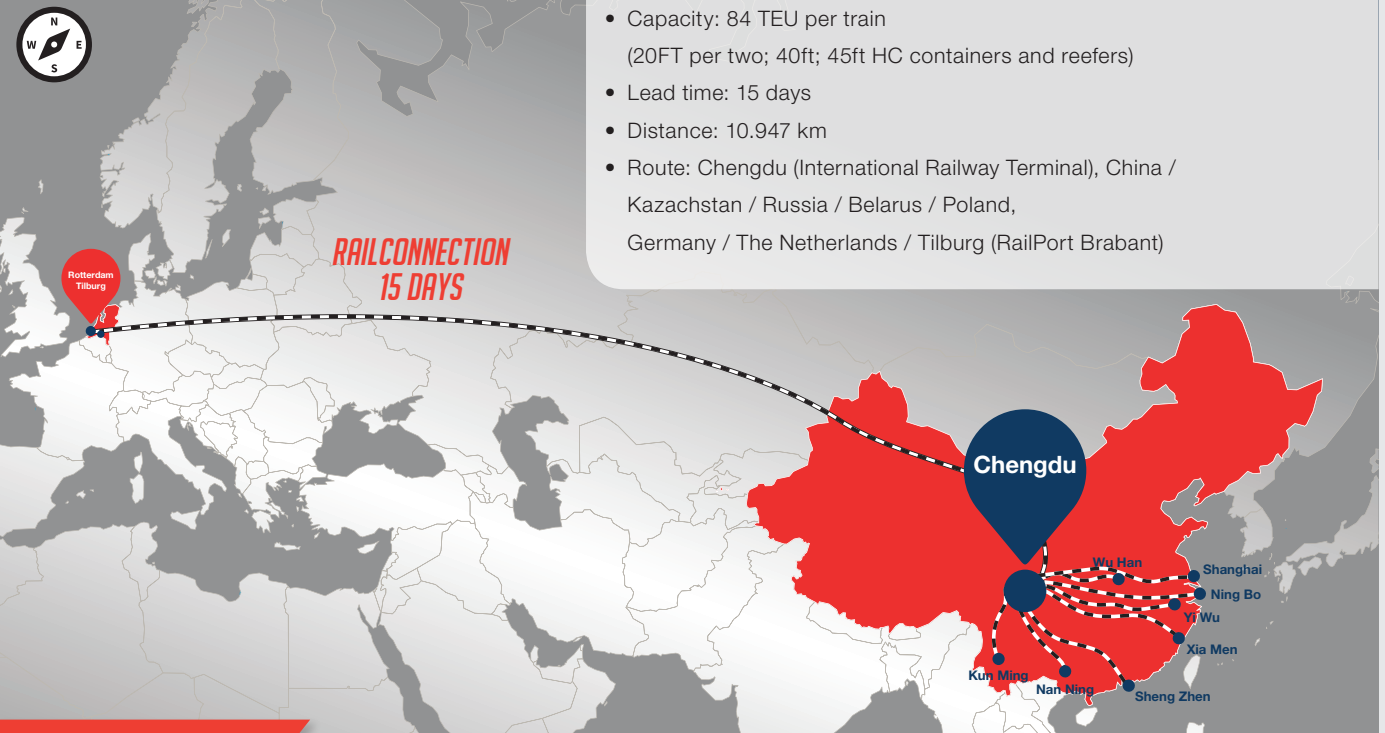

Services in Chengdu

- Direct road and railway connections from Chengdu to significant key cities in China, like Shanghai and Shenzhen. The transit time from Chengdu to the coastal areas is 4-5 days.
